Vegetable of the Month: Spinach

Spinach is a cool season crop and belongs to the goosefoot family along with Swiss chard and beets. Spinach is low in calories, and is a good source of vitamin C, vitamin A, and minerals, especially iron. Spinach is best eaten fresh. It loses nutritional properties with each passing day.

Sweet Spinach Salad

3 tbs Orange juice concentrate	
2 tbs sugar	
2 tbs cider vinegar	
1 1/2 tsp chopped onion	
1/4 tsp salt	
1/2 cup vegetable oil	
10 oz. pkg Fresh baby spinach	
1 (15 ounce) can mandarin oranges	
2/3 cup slivered almonds	
1. In a blender, combine the orange juice concentrate, sugar, vinegar, onion and salt. While processing, gradually add oil in a steady stream. Refrigerate for at least 1 hour or until chilled.	
2. On salad plates, arrange the spinach, mandarin oranges and almonds. Drizzle w/Dressing
